## Welcome to Comet

Comet is a vibrant and inspirational maintained nursery school and children's centre based in the heart of Hoxton. We are highly regarded in the community for its inclusivity, diversity and expertise with our children. At Comet we are committed to the inclusion of children who have additional needs and our experienced team are there to support the children and families in their learning journey throughout their time with us.

Our ethos and philosophy is firmly rooted in the principles of high quality early years' education and care where children are encouraged to be curious, to explore and develop their interests through a play based and open ended provision. We support families to understand the progress of their children and sign post to other services where appropriate.

Our team are experienced, forward thinking and committed to the strong early years pedagogy that we are always continuing to develop at Comet. We are a hardworking team that are reflective in our practice, while our ethos is based on creativity, nurture and respect in everything we do.

At Comet we have a 2 year old provision as well as 2 nursery classes. The Children's Centre is part of all that we do at Comet and we have recently taken over the leadership and governance of another local Children's Centre.

If you are passionate about children's learning and development in the early years and want to work in a supportive environment, then this is an excellent opportunity for you to join our growing team and make a difference to our school & children's centre. We are an outward facing provision always looking to develop opportunities for the children and families in our local community.

I hope this has given you a small insight into the provision at Comet.

Best wishes,

*Lisa Clarke*

Headteacher
