

Comet News

July 2024

Here we are at the end of another year at Comet. It has been such a successful year for your children and us as a school with our continued Outstanding Ofsted grading.

For our children that are moving onto Reception Class, we wish them all the luck and we know they are ready for the next steps in their learning. We have really enjoyed having the children learn at Comet and we are always surprised and delighted to see the amazing learning and progress they make over their time with us.

Thank you also to you as parents for working in partnership with us, sharing your child's learning and their interests at home. We can't make such an impact on your child's learning without having your support and understanding.

We are also saying goodbye to some of our staff team.

Simran (Deputy Headteacher), who returned recently from maternity leave is moving to another school so she can work part time and enjoy more time with her daughter. We wish her lots of good luck in her new role, but will certainly miss her expertise and commitment to young children's learning. Thank you Simran.

Beatriz (Sun Room Teacher) is leaving to take up a post as a teacher in a children's centre. We also wish her lots of good luck in her new post.

Majella (Learning Support Assistant) will be leaving us as she comes to the end of her contract. Majella is continuing to study and we wish her good luck in her new ventures.

Macey (Early Years Apprentice) will be leaving us as she comes to the end of her apprenticeship. We wish her good luck in her further training.
